

Victorian Sterling Silver Serving Tongs by Francis Higgins. London
1848.

FRANCIS HIGGINS, London

£755

Description

Very unusual Victorian fiddle pattern sterling silver serving tongs with large serrated grips.
Maker: Francis Higgins, London 1848.

Francis Higgins designs were always unique and innovative and these tongs have a very clean look. They are unusual because of their serrated grips which make them ideal for serving many types of food.

Length: 7 inches (17.78cm)

Weight: 5 troy ounces (155.50 grams)
